

Web Design

Conversion-Optimized Sites Built for PI Domination

THE PROBLEM

Most PI websites are built by developers who don't understand conversion psychology. Prospects judge your firm's credibility in 3 seconds, and poor design costs cases every day.

OUR SOLUTION

SEO-first, conversion-optimized websites built specifically for personal injury firms by marketing experts who understand what prospects need to see to call.

THREE INVESTMENT OPTIONS

OPTION	TOTAL INVESTMENT	MONTHLY PAYMENT	UNIQUE FEATURES
Option 1	\$18,000	\$1,500 x 12 months	Up to 1,000 pages migrated
Option 2	\$36,000	\$3,000 x 12 months	Custom branding + logo design
Option 3	\$60,000	\$5,000 x 12 months	On-location photography

OPTION 2 ADDITIONS (Custom Branding)

- ✓ Complete brand analysis and strategy development
- ✓ Custom logo design and brand style guide
- ✓ Color palette and typography selection
- ✓ Social media assets and branded templates

OPTION 3 ADDITIONS (Custom Photography)

- ✓ On-location professional photography session
- ✓ Attorney headshots and team photos
- ✓ Office environment and culture documentation
- ✓ Authentic images that build trust and connection

Core Features

KEY BENEFITS

Conversion rates typically improve 25-50% vs. generic sites

SEO foundation that supports all marketing efforts

Professional credibility that wins prospect trust

Mobile optimization for 70%+ of traffic

Complete ownership after final payment

Built by PI marketing experts, not generic developers

WHAT MAKES US DIFFERENT

PI-Specific Expertise:

We know what injury prospects need to see to convert.

Seo Integration:

Built to support your search marketing efforts.

Unified Approach:

Every element designed to drive consultations.

Proven Results:

Design, development, branding, and photography available.

TYPICAL RESULTS

- ✓ 25-50% improvement in website conversion rates
- ✓ Better user experience metrics and lower bounce rates
- ✓ Improved SEO performance and search rankings
- ✓ Enhanced professional credibility and trust building
- ✓ Higher-quality prospect inquiries and consultations

IDEAL CLIENT

PI firms with existing websites that underperform or established practices ready for a professional web presence that matches their market position.

OWNERSHIP STRUCTURE

You own the website 100% after the 12th and final payment. No ongoing hosting fees or maintenance requirements through Rankings.io.

NEXT STEPS

Website audit and conversion analysis to identify current performance gaps and projected improvement opportunities.
