

Paid Digital Media Management

Strategic Campaign Management Across All Platforms

THE PROBLEM

PI firms spend \$50K+ monthly across multiple paid platforms but can't track which campaigns actually drive cases. Fragmented management leads to wasted budget and missed optimization opportunities.

OUR SOLUTION

Unified management of all paid digital platforms with complete attribution tracking and cross-platform optimization strategies.

PLATFORM COVERAGE

CORE PLATFORMS:

- ✓ Google Ads (Search, Display, Video, LSAs)
- ✓ Meta Ads (Facebook/Instagram)
- ✓ OTT/CTV (Connected TV/Streaming)
- ✓ Programmatic Display & Video
- ✓ TikTok Ads (where applicable)
